TC500 AI Voice Translator
THE WORLD AT YOUR FINGERTIPS

TC500 AI Voice Translator

Paris, Tokyo, Rio de Janeiro. What's holding you back? If your lack of fluency in the local language is putting you off, then you no longer have an excuse. Introducing the ADATA TC500 AI translator.

No More Language Barriers

Travel the world without worries with the TC500. Supporting languages used in 100 countries and with near-instant translation capabilities, you'll explore with confidence.

One-Click Two-Way Translations

There are no awkward pauses to push multiple buttons with the TC500. One click is all you need to translate a conversation seamlessly.

Stay Connected with eSIM or SIM

Not only does the TC500 support SIM cards, but also eSIM. You're visiting, purchase a plan, and enjoy connectivity without a physical SIM card.

Sharing is Caring

Were you planning on renting a portable Wi-Fi router for your trip? With the TC500 you won't need one because it also doubles as a portable router.
