D16750 POWER BANK

DRIVEN BY DURABLE POWER

D16750 Power Bank

Packing 16750mAh with dual charging ports, the D16750 takes on your lifestyle with IP67 dust and water proofing. While big on power, it's light on weight so you can move freely - even more so with the built-in LED flashlight. This is a true all-terrain, big capacity power bank whether at home or out in nature.

Pro-grade IP67 dust and water proof

The D16750 passes IEC IP67 dust-tight and water proofing requirements. It's also shock resistant so you don't have to be too delicate or limit yourself.

Smart charging on demand

The D16750 can top up your smartphone five times and your tablet twice. It also auto negotiates with connected devices to adjust charging speed and intensity.

Save time with dual USB ports

Recharge two devices at once and save precious time. The D16750 has two USB outputs and send out up to 3.4A to accelerate charging and keep connections stable.

Quality-built for safety and precision

The D16750 uses LG premium power cells and a shock and fire resistant inner shell. It withstands impacts and utilizes an extensive array of sensors and circuits to prevent hazards and keep you safe.

Features

- Packing 16750mAh big capacity
- IP67 water/dust proof
- Sandblasted aluminum and rugged silicone coating
- Synchronous charge/discharge
- Dual USB ports with total 3.4A output
- Integrated LED flashlight
- Multiple circuit protection (OCP, OVP, OTP, SCP, ODP, OCP)

Specifications

- Capacity: 16750mAh
- Battery: Li-ion
- Color: Silver / Blue / Green
- Dimension: 143 x 84 x 28mm / 5.6 x 3.3 x 1.1"
- Weight: 370g / 13.05oz
- Input: DC 5V / 2.4A
- Output1: DC 5V / 1.0A max.
- Output1: DC 5V / 2.41A max.
- Warranty: 1 year
