Premier Pro microSDXC/SDHC UHS-I U3 Class 10

Premier Pro microSDXC/SDHC UHS-I U3

Premier Pro microSDXC/SDHC UHS-I U3 cards are designed for dash recorders and motion cameras. They integrate high-grade MLC Flash for sustained stability and durability, perfect for repeated write/overwrite tasks such as daily in-car recording. High speed performance enables quick access to content and uncompromising, detailed capture. To support consistent quality, cards are waterproof, shockproof, X-ray resistant, and extreme temperature resistant, accompanying you on journeys even to the harshest environments.

Roam Freely with All-Round Protective Design

We've implemented advanced error correction technology to boost data integrity and prevent content corruption even during extended usage. We also made cards tough with multiple protective measures that can handle diverse adventures – from scorching desert heat to the frigid arctic. Cards keep your data safe, meeting strict requirements.

Express Pro-Grade UHS-I U3 High Performance Specs
