

T5000C POWER BANK

POWER IN BLOOM

T5000C Power Bank

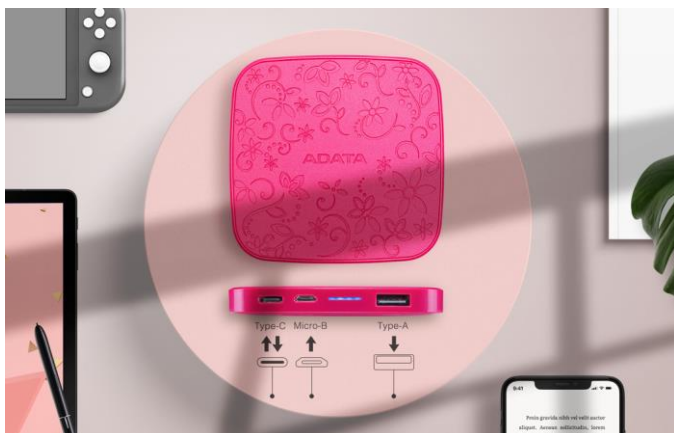

Sporting an engraved floral pattern and lively pastel colors, the compact and portable 5000mAh T5000C power bank is a breath of fresh spring air.

Bi-Direction Charging Convenience

The T5000C's USB Type-C ports support Bi-Direction charging. This means you'll only need one cable for charging the T5000C and all your devices, from mobile phone to game console.

Charge Two at Once

The T5000C features two USB ports (Type-A & Type-C) with an output current of up to 3.0A, allowing you to charge two devices simultaneously.

Travel Thin and Light

Weighing in at a mere 125g and featuring an ultra-thin 1.42cm form factor, the T5000C is lighter and thinner than most smartphones.

Store in Style

When not in use, store the T5000C in the included pouch made from a soft suede-like fabric and featuring a matching floral pattern and color.
