

CW0100 Wireless Charging Pad

FAST CHARGING, NO STRINGS ATTACHED

CW0100 Wireless Charging Pad

With the Qi-certified ADATA CW0100 wireless charging pad, the days of plugging and unplugging cumbersome charging cables are behind you. Place your smartphone on the pad to charge, it's that simple! Plus, with up to 10W fast charging your phone will be fully juiced up in no time.

2x Faster Charging

10W wireless charging works up to two times faster than standard 5W wireless charging. This potentially speeds up charging a phone from 0 to 100% by one hour.

Stylishly Svelte

At just 7.5mm thin, the CW0100 won't clutter up your desk or bedside table. Its premium zinc-alloy metal base makes it robust and elegant, while also offering better heat dissipation capabilities.

LED Indicator

A built-in LED indicator clearly shows you the charging status at a quick glance.

Qi Certified Means Safe and Reliable

The Qi-certified CW0100 has been thoroughly tested to ensure safety, interoperability, and energy efficiency. Don't settle for anything less!

Features

- Supports fast charging
