

SPORTING SPEED DRIVE

SD600 External Solid State Drive

D600 External Solid State Drive

The stylish SD600 external SSD delivers up to 440MB/s read and write, quadrupling what you get with external hard drives. It uses new 3D TLC NAND Flash to increase reliability, with SLC and DRAM caching to handle heavy data loads. Stable and portable, the SD600 keeps up with you wherever you go with fast access to content and shorter loading times. Windows desktops and laptops, Android, Xbox, PS4 - choose your device, plug in, and get going.

Sprint ahead with high performance

The SD600 goes up to 440/430 MB/s with ease. In fact, a 5GB Full HD movie takes just 26 seconds to transfer with the SD600!

Rise on new 3D NAND Flash

Packing new 3D TLC NAND Flash, or stacked memory, the SD600 offers greater longevity, reliability, and durability than 2D NAND Flash SSDs.

Not afraid to look down

We made the SD600 highly shock and drop resistance to free you from worries and help you keep active.

Features

- Read/write speed up to 440/430 MB/s
- With 3D NAND TLC Flash
- Intelligent SLC Caching and DRAM Cache Buffer
- Supports Windows, Mac OS, Android, Xbox one, PS4 consoles
- Lighter, quieter, shock resistant, and more durable than external HDDs
- Portable slim and sporty design

Specifications

- Interface: USB 3.1
- Capacity: 256GB / 512GB
- Color: Red / Black
- Dimensions (L x W x H):
80 x 80 x 15.2 mm / 3.15 x 3.15 x 0.6"
