UV350 USB Flash Drive

THE STYLISH WAY TO STORE

UV350 USB Flash Drive

The UV350 flash drive has a clean, capless design that does away annoying caps. A hanging hole at the end makes for easy attaching to keychains and lanyards for excellent portability. The drive comes with capacities ranging from 32GB to 64GB and USB 3.2 Gen 1 for hassle-free storage of all your music, videos, and photos.

Sleek, Elegant, Simple

The glossy surface finish of the UV350 is stylish and elegant, and along with a tail-shaped hanging hole, it presents a refined and understated design that's ideal for the busy business professional.

Fast Transmissions with USB 3.2

Featuring USB 3.2 Gen 1 the UV350 sports transmissions speeds of up to 5Gb per second, plug and play capability, and is backward compatible with USB 2.0 devices.
